

# CRIME AND PUNISHMENT FOR JUVENILES

INDIA

3- year detention in a special home is the harshest provision. Applies to 7-18 year olds.

This is what it looks like when countries incarcerate as a primary means of social control.

Pakistan

corporal punishment.  
Applies to 7-18 year olds.

Iran

Capital punishment.  
Execution after the juveniles  
attains the age of 18.  
Applies to 9-18 year old.

Saudi Arabia

Corporal punishment such as ampu-  
tation and flogging.  
One juvenile was executed in 2011.

China

Life imprisonment in  
serious offences.

IS THIS GOING TO BE THE ROUTE INDIA WILL EVENTUALLY TAKE?
