

THERE'S NO EXCUSE

for sending children to adult prison

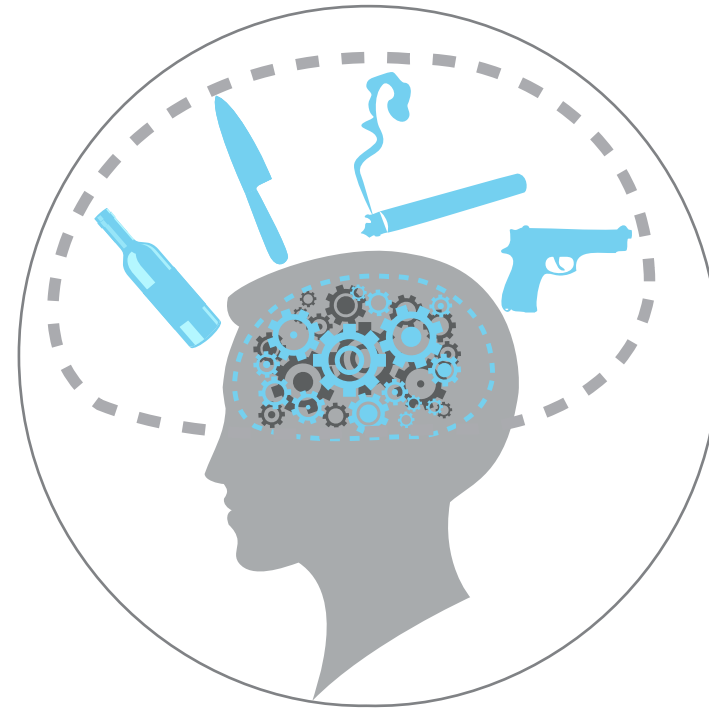

It isn't SAFE.

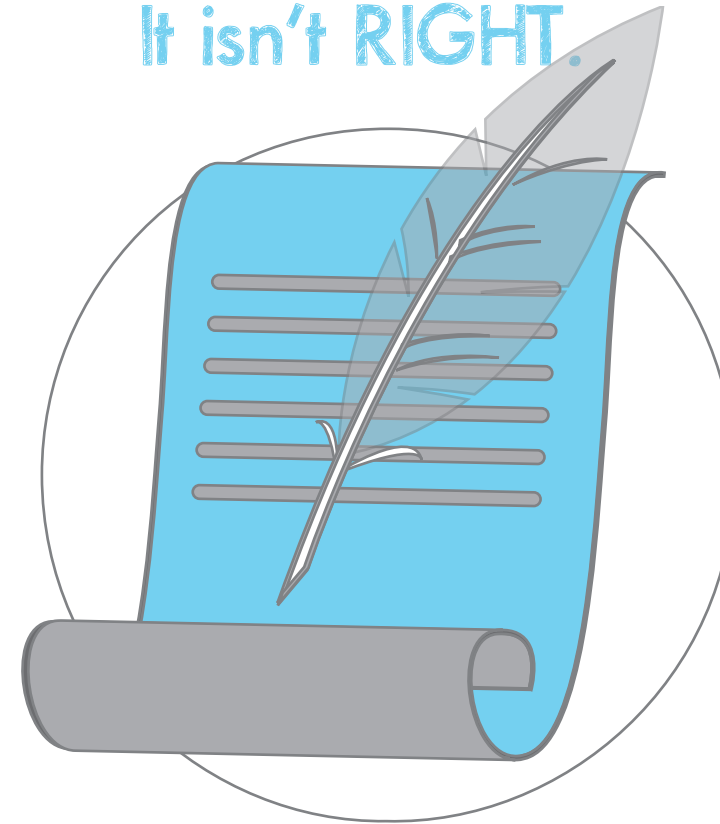

Children in adult prisons are likely to be abused, exposed to hardened criminals, and more likely to take to a life of crime.

It isn't FAIR.

Scientifically, the adolescent brain is not fully developed due to which children are not fully able to understand the consequences of their action, hence more prone to rash and reckless behaviour.

It isn't RIGHT.

To penalize juveniles as adults would violate the rights of juveniles as stipulated in the UNCRC. It violates provisions of the Constitution of India.

It IS STUPID.

Children learn from professional criminals and go on to commit serious crimes.
